

ABOUT MBIS

Marist Brothers International School (MBIS) is an accredited, Pre-Kindergarten to Grade 12 co-educational institution where the language of instruction is English. Since opening our doors in 1951, our graduates have consistently achieved placements in universities and colleges around the world. MBIS has been accredited by the Western Association of Schools and Colleges (WASC) since 1972, and became an IB World School in 2017 (with first exams in 2019). We are committed to excellence in education, but believe that excellence means more than a rigorous and stimulating curriculum. Our holistic approach includes a focused dedication to character—developing skills which make our students stand out from the crowd. Character and community are at our heart—the foundation of the Marist ‘difference’.

Mission Statement: We educate students in a nurturing community where relationships and meaningful connections are valued and celebrated. Our students gain knowledge, communicate effectively, develop exceptional character, and become responsible citizens of a global society. We inquire into the world around us through rigorous academic programs that aim to prepare students for life’s opportunities.

GRADUATION REQUIREMENTS FOR THE CLASS OF 2024

The MBIS HS Diploma is accredited by WASC and represents the successful attainment of a minimum of 22 Credit Units.

Course	Credits	Course	Credits
English	4	Mathematics	3
Social Studies	3	Language	3
Science	3	Electives	6

Students, additionally, must demonstrate a sustained commitment to creativity, activity, and service (CAS) during grades 11 and 12.

NOTES ABOUT THE MBIS TRANSCRIPT

In Grade 11 and 12, all classes are taught as IBDP classes. This includes classes for students who are not pursuing the IBDP.

Grade 9 and 10 are taught using California Common Core Standards except in Social studies where Aero Standards are used and in Science where Next Generation Science Standards are used. All courses are taught at a college preparatory level.

MBIS assesses students on 1–7 scale and does not calculate GPA, nor does it rank students. A passing grade is a 3 or above.

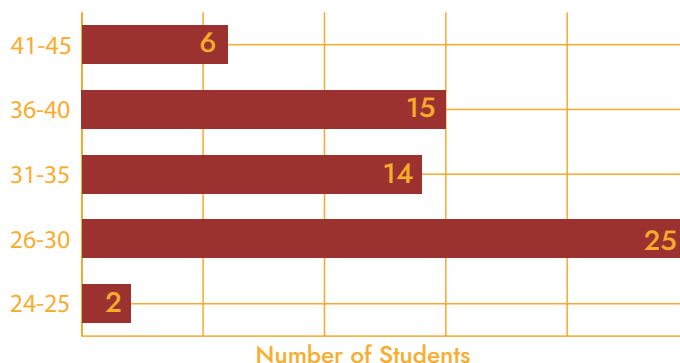

Students who transfer without certain high school credits required for graduation purposes, may receive full credit based on previous academic results and/or an interview with administration.
