Drone Programming Class

At the Drone Programming School, let's learn practically from the basics to Python! Programming is the key to modern society. Seize this great opportunity. Students will learn the basic of drone programming. This club is run by an external provider, [HDL](#). To participate in this club, students must have their own personal drone.

Before purchasing any equipment, please seek confirmation that minimum club numbers have been met and the club will proceed. Once you have received confirmation, you can contact Ms. Ikenishi ikenishiy@marist.ac.jp who will provide you with the contact information for purchasing a drone (if you need one). If you already have a drone, no additional purchase is required.

Joyful Voices

We are excited to launch the Joyful Voices After School Activity with Mrs. Yoon, Brother Allen, & Mr. Sean Rodriguez. The club is open to students in grades 1 & 2.

The Joyful Voices is more than just singing; it's about connecting with others, sharing stories, and feeling the rhythm that moves us. The club aligns with the Marist Tradition, embracing its musical heritage and values. No prior singing experience is necessary. Our special vocal trainer, Sean Rodriguez, along with Mrs. Yoon, and Br. Allen will guide your child in developing their voice. Let's nurture a love for music, rhythm, and community!

Tennis Club

Tennis Club, under the coordination of Mrs. Yoon and Ms. Takagi, and in collaboration with Coach Kawaguchi, a representative tennis player from Hyogo prefecture, presents an exciting opportunity for our Marist students. This club aims to enhance students' physical strength, agility, and flexibility while fostering new friendships across different grades.

No prior experience is necessary; if your child possess enthusiasm for learning and a willingness to explore, we wholeheartedly invite your child to join! Throughout the sessions, we'll engage in activities such as running, swinging, reaching, jumping, and sharing laughter. The Marist Tennis Club warmly welcomes students from Grades 1 to 5 to be part of this enriching experience. Returning Tennis Club members (from 2023/24 school year) have spots reserved in this year's Block 1 tennis club, meaning there are 7 new places available in Tennis Club.

We encourage parents to drive their child to the Shioya Country Club after school if possible. If not, Ms. Takagi and Mrs. Yoon will accompany students to the Shioya Country Club from MBIS by taking the Sanyo Train and walking the remainder of the way. Students must come with correct money for the train ticket. This is the [route](#) students will take when walking with Ms. Yoon & Ms. Takagi. After the session, parents must pick up their child at 5:15pm or students can ride a train back home with parental consent. We look forward to making fantastic memories together! Please note that students will need to bring their own tennis racket and water in order to participate in Tennis Club.
