

ABOUT MBIS

Marist Brothers International School (MBIS) is an accredited, Pre-Kindergarten to Grade 12 co-educational institution where the language of instruction is English. Since opening our doors in 1951, our graduates have consistently achieved placements in universities and colleges around the world. MBIS has been accredited by the Western Association of Schools and Colleges (WASC) since 1972. We are an authorized IB World School offering the IB DP and are a candidate school* for the PYP and MYP. We are committed to excellence in education, but believe that excellence means more than a rigorous and stimulating curriculum. Our holistic approach includes a focused dedication to character—developing skills which make our students stand out from the crowd. Character and community are at our heart—the foundation of the Marist ‘difference’.

*Only schools authorized by the IB Organization can offer any of its four academic programmes: the Primary Years Programmed (PYP), the Middle Years Programme (MYP), the Diploma Programme (DP), or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted.

Mission Statement: We educate students in a nurturing community where relationships and meaningful connections are valued and celebrated. Our students gain knowledge, communicate effectively, develop exceptional character, and become responsible citizens of a global society. We inquire into the world around us through rigorous academic programs that aim to prepare students for life’s opportunities.

Science	3		

Students, additionally, must demonstrate a sustained commitment to creativity, activity, and service (CAS) during grades 11 and 12.

NOTES ABOUT THE MBIS CURRICULUM & TRANSCRIPT

In Grade 11 and 12, all classes are taught as IBDP classes. This includes classes for students who are not pursuing the IBDP.

Grade 9 and 10 are taught using California Common Core Standards. However, Aero Standards are used in Social Studies, Next Generation Science Standards in Science, and Cambridge International Education - IGCSE Mathematics are used in Math. All courses are taught at a college preparatory level.

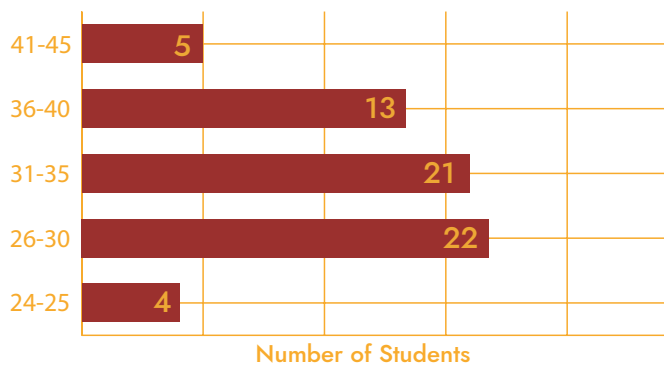

MBIS assesses students on 1–7 scale and does not calculate GPA, nor does it rank students. A passing grade is a 3 or above.
